

COVID-19 Self-Screening Questions

COVID-19 Self-Screening Process: The following health-assessment is required prior to in-person therapy. Before your scheduled appointment, please review the screening questions below.

1. Do you, your child, or anyone in your household have any of the symptoms listed below?
 - Fever of 100.4° F or higher or chills,
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - Recent loss of taste or smell
 - Sore throat
 - Congestion or runny nose (not from seasonal allergies)
 - Nausea or vomiting
 - Diarrhea
2. Have you or your child been in close contact (within 6 feet for 15 minutes) with someone who has confirmed COVID-19 in the last 14 days?
3. Has a public health or medical professional told you or your child to self-monitor, self-isolate or self-quarantine because of concerns about COVID-19 infection, within the past 14 days?
4. Have you or your child tested positive for COVID-19 in the past 10 days?
5. Have you or your child had any medication to reduce a fever before coming to therapy?

If you answer “yes” to any question above, please contact your therapist immediately to cancel the appointment(s). You must inform Joya as to why you are cancelling.
