*Mission:*

*Joya is dedicated to igniting hope, empowering children and families, and establishing lifelong skills. We provide exceptional pediatric therapy and support services, engage families, and remove financial barriers. Our community is built on inclusion, encouragement, and lasting connections.*

Dear Friends of Joya,

Joya Child & Family Development is a nonprofit Neurodevelopmental Center of Excellence staffed by certified teachers, therapists, pediatric nurses, a pediatrician, and social workers. Founded in 1960 as the Spokane Guilds' School, we provide early intervention services to children and families regardless of their ability to pay.

Our team is on the front end of caring for children birth to three with developmental delays and disabilities. Our work and interventions change the entire trajectory of a child's life, leading to better outcomes in social-emotional and physical health, school, and work.

Families seeking our help are never turned away, regardless of their ability to pay. In order for us to continue providing these services to families in our community, we need your help!

Our 43rd Annual Spring Gala, Auction & Dinner will be held on Friday, March 15, 2024 at The Spokane Convention Center in Spokane, Washington. Please consider donating an item or service that can be auctioned off that evening. All proceeds go directly to provide assessment and therapy services for the children in our program.

To ensure proper acknowledgement in our auction booklet, please deliver items or arrange a pick up by **Feb. 23, 2024**. Feel free to contact me at 509.326.1651 [krista.caro@joya.org](mailto:krista.caro@joya.org) with any questions.

Donations may be delivered to my attention at:

On behalf of the children at Joya Child & Family Development, thank you for your thoughtful consideration of our request.
