SPRING GALA

AND AUCTION

March 15, 2024 | 5:30pm | Spokane Convention Center

Joya is dedicated to igniting hope, empowering children and families, and establishing lifelong skills. We provide exceptional pediatric therapy and support services, engage families, and remove financial barriers. Our community is built on inclusion, encouragement, and lasting connections.

Founded in 1960 as the Spokane Guilds' School, we provide early intervention services to children and families regardless of their ability to pay.

Joya's early intervention program is family-based and treatment is specifically tailored to meet the individual needs of each child and family. We do this through a personalized, comprehensive program of assessment, therapy, education, and support.

Our team of certified teachers, therapists, pediatric nurses, a pediatrician, and social workers is on the front end of caring for children birth to three with developmental delays and disabilities. Our work and interventions change the entire trajectory of a child's life, leading to better outcomes in social-emotional and physical health, school, and work.

Children with cerebral palsy, Down syndrome, spina bifida, hearing or vision impairments, muscular dystrophy, autism, traumatic brain injury (shaken babies) and other forms of developmental delays and rare syndromes, are all served without regard to race, gender, religion or ability to pay.

By supporting Joya's 43rd annual Spring Gala and Auction, you will help to support the miracles that happen at Joya every day!
